

PET INSURANCE TIPS

We know there are many options available to pet owners these days, which can be a little overwhelming. We have compiled a list that include pros and cons from two pet insurance companies we often see used.

HEALTHY PAWS

Pros of Healthy Paws:

- Annual deductible (not subject to limited conditions)
- Covers up to 90% of illness/accident related claims (after deductible is met)
- No maximum limits on claim payouts
- Easy to use app for claim submission
- A portion of your quote is donated to help homeless pets

Things to note:

- Payment due up front at time of vet visit
- Reimbursement via direct deposit or check by mail
- 15 day waiting period for all accident & illnesses
- Does not cover pre-existing conditions
- Additional \$25 admin fee at time of sign-up

TRUPANION

Pros of Trupanion:

- Payment direct to the vet, only pay what you owe at visit
- Covers up to 90% of accident or illness related vet visits (after deductibles are met)
- No penalty or dropped coverage for too many claims
- Offers complimentary 24 hour trial

Things to note:

- Per condition deductible
- Reimbursement via check by mail (if not processed direct to vet)
- 5 day waiting period for injuries
- 30 day waiting period for illnesses
- Does not cover pre-existing conditions
